The Sunshine Kids is a non-profit organization dedicated to children with cancer. Established in 1982, we are committed to providing positive group activities and emotional support for young cancer patients. The Sunshine Kids provides a variety of program and events, free of charge, for kids who are receiving cancer treatment in hospitals across North America. The foundation is a 501(c)(3) classification, and is not dependent on government funding. It is funded by contributions from corporations, foundations, and individuals. Fed Tax ID#: 76-0020802
